secunet Security Networks AG: secunet anticipates an outstanding Q4 and good results for 2009

[Essen, 3 December 2009] According to current estimates, secunet Security Networks AG anticipates an outstanding fourth quarter. Previous expectations both in terms of revenue and earnings before interest and tax (EBIT) will be markedly exceeded this year. The same is true of the results for the whole of the 2009 financial year: revenue and EBIT margin will be significantly higher than the previous year. secunet will publish provisional figures for the fourth quarter of 2009 and the 2009 financial year on 3 February 2010.

About secunet

secunet is one of Germany's leading providers of superior IT security. In a close dialogue with its customers – enterprises, public authorities and international organisations – secunet develops high-capacity products and excellent IT security solutions. Thus, secunet not only keeps IT infrastructures secure for its customers, but also achieves intelligent process optimisation and creates sustainable added value.

At secunet, more than 270 experts focus on issues such as cryptography (SINA), e-government, business security and automotive security with the aim of always being one step ahead of the competition in terms of quality and technology. secunet puts special emphasis on long-term relationships with its customers and on an atmosphere based on partnership. This is impressively shown by the security partnership with the Federal Republic of Germany that has been in effect since 2004.
