secunet Security Networks AG: Addition to the Management Board

[Essen, Germany, November 16, 2017] The Supervisory Board of secunet Security Networks AG today appointed Mr Axel Deininger to the company's Management Board. With the addition of Deininger, previously Group Senior VP and Head of the Connectivity & Devices Division at G+D Mobile Security GmbH, secunet's Management Board comprises three members, effective January 1, 2018.

Axel Deininger will serve together with Chairman Dr. Rainer Baumgart and Thomas Pleines. He will specifically be responsible for overseeing production and international sales at secunet Security Networks AG.

Axel Deininger (46) is an industrial engineer who possesses many years of management experience from holding positions at companies such as Siemens AG, Infineon Technologies AG and Samsung Semiconductor Europe GmbH. Most recently, Deininger held a variety of management positions during his more than ten years with Munich-based Giesecke+Devrient Group.
