secunet Security Networks AG: forecast for 2019 financial year raised again

[Essen, 12 December 2019] Based on the preliminary business results achieved as at November of the current year and the well-filled order book for December 2019, the Management Board of secunet Security Networks AG (ISIN DE0007276503, WKN 727650) is raising its forecast for the 2019 financial year. Sales revenues of around 230 million euros are now expected, with earnings before interest and taxes (EBIT) of around 35 million euros. The increase in the forecast is primarily due to short-term call-offs from framework agreements in the Public Sector division. Previously (as announced on 11 September 2019), the company had anticipated sales revenues of around 210 million euros and an EBIT of around 32 million euros.
